Dear HR Manager:

This cover letter is written in regards to the Associate Software Engineer position that is currently open. I have been a hobbyist programmer for the past 3 years and am very excited to begin my career as a software developer.

I have experience writing web-scraping scripts with python, building interactive javascript apps and building MVC applications with asp.net/C#. I am confident that I will be a valuable team member to your organization in several ways.

The majority of my work experience has been in sales, which means I can work well others! I also have quite a bit of experience in the restaurant industry, demonstrating my ability to provide great customer service.

If you like to see some of my latest projects, check out my github: https://github.com/jpayne0061

You can call or text me at 502-572-0955 anytime, although you will have the best chance of reaching me at lunch time. Email is fine too, although I can't check it at work hourings: jpayne0061@gmail.com.

Regards,

James Evan Payne
